IMPLEMENTED ACTIVITIES

- Training for stakeholders based on the QUANTUM curriculum
 - Desk analysis of the current policy scenario to better finetune the QN to be launched
 - Mapping of stakeholders' competences with regard to QA but not only
 - Mapping and shared analysis of the ICT tools relevant to assess the impact of training courses with regard to employability
 - Sharing of current tools in use in the involved VET centres
 - Which info are asked to past students? How often and when after the end of the training?
 - Group work to build a common monitoring & assessment tool for indicators 5 and 6
-

TIMELINE

WHAT WENT WELL/ I

- Positive reaction to the call to action by the stakeholders
 - Persistent commitment to be part of the QN and keep working with the group
 - Willingness to open access to procedures and tools, including to direct competitors (VET providers)
 - Capacity to produce a common tool and official presentation at regional level
 - Involvement of public authorities
 - Regione Umbria, ARPAL, Regional Chamber of Commerce (not PA, but institutional body)
 - Piloting (on a voluntary basis) of the common monitoring tool completed by at least 11 VET providers,
-

PRELIMINARY RESULTS OF THE PILOTING

11 VET providers providing feedback on the Common monitoring tool
10 out of 11 in favour of adopting it at regional level

Main innovative elements:

- Attention to discrimination happening in the labour market (*in Sections 1 & 3*)
- Exploring the relevance and use of the acquired competences in the current position (*Section 2, in coherence with EQAVET Indicator n°6*)

Areas of improvement:

- More flexibility in the questions related to the positioning of the company in the labour market and the more relevant competences (*2 out of 11*)

PLANS FOR THE FUTURE

- Further push the informal QN in order to be integrated into existing Regional policies (e.g. Osservatorio Regionale del Mercato del Lavoro)
- Official presentation of the results of the piloting of the common tool on May 17th (in presence event)
- Implementation of the common tool at regional level, embedded in the ESF management?
- Planning and implementation of Peer Reviews among members of the QN, given the interest demonstrated by
